Saturday, June 13, 2009

Van Patten Golf Course

1:30 p.m. Shot Gun Start

Shenendehowa Educational Foundation

-Making a Difference-

The Shenendehowa Educational Foundation, a volunteer organization, supports the mission of the Shenendehowa Central School District by raising and distributing resources for educational, student-related activities above and beyond those available through normal district resources.

We emphasize the traditions and sense of pride our community has in our schools. We will also strive to raise awareness of Shenendehowa alumni successes in our community and the world.

In addition, we will utilize alumni and community residents in support of our efforts to bring the community together in support of our most valuable resource, our students
